

# THE ANGEL OF CORBRIDGE

Welcome to  
T h e A n g e l I n n  
Corbridge

Whilst we believed the Angel was built in 1726 we now have our own history showing we actually operated as an Inn from 1569 therefore, we could be the oldest 'pub' in Northumberland.

We aim to offer all our guests traditional Northumbrian hospitality in our rooms, bar, lounge, barn restaurant, private dining room and fish and chip takeaway and we genuinely want you to enjoy your experience here at the Angel Inn.

Our team of chefs serve traditional British food using fresh local produce from local suppliers and all our dishes are homemade including our delicious puddings and afternoon teas.

Should you have any allergies or dietary requirements then we are here to help and ensure we exceed your expectations. Many of our dishes are suitable as 'gluten-free' and can be adapted to ensure this, or we will honestly inform you of what isn't suitable.
